Mr. Fred W. Nichols,

Minnehik, Alta.

Dear Sir: 305 - Hohendorff.

I have your letter in regard to goods received from the Red Cross, also account for freight between Wetaskiwin and Yeoford. We are forwarding this latter for payment. We have the account for freight from Yeoford to Minnehik from Newell & Sons, and are also forwarding it for payment.

I will write the Red Cross that the goods was received with certain losses, and will also take the matter up with the Provincial Police to see if they cannot trace where this parcel was broken into.

Yours truly,

Deputy Minister of Health.

Mr. Fred Nicholls,
Minnehik P.O., Alta.

Edmonton, June 27, 1919.

Dear Sir:

3 5 - Hohendorff.

I have received your interesting letter in regard to matters in general in your district.

I took the appointment of a J.P. up with the Attorney General's department this morning, and they said the matter would rest very largely with the Member, but getting up a petition seems quite a large order.

I read the part of your letter about the nurses to Miss Smith, Supt. of Nurses, and she was very glad to get the message from you.

I am referring the matter of forming a Local Improvement District to Mr. Perrie, Deputy Minister of Municipal Affairs, and if you do not hear from him shortly, you might write to him direct.

I have not heard anything beyond your letters in respect to the Adams family, but probably will in the near future.

Yours truly,

Deputy Minister of Health.

[illegible] 1928

Sir,—

S.E. ¼ Sec. 2 Tp. 65 Rge. 19 West 4th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1918, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

Henry Edward Loy, Esq.,
Boyle,
Alberta.

OTTAWA, 2nd August, 1[illegible]

Sir,-

N.W.	¼	Sec.	Tp.	Rge.	West	Mer.
		19	61	19	4	

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1926, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

Deputy Minister,
Department of the Interior,
Ottawa, Ont.,

Dear Sir.-

Pte. Harold Percy Blake No. 825074 before enlisting in the 151 st battalion here took up NE 1/4--Sec 32 Tp 51 Range 7 west 4th mer. on April 6th 1914 and had erected a house on this land and made some improvements and lived on it for some time and in a letter addressed to him from Edmonton Office dated April 10th 16 File 10/1218 he was promised protection on his homestead while on active service so I presume it was about this time he enlisted.

While he was at Sarcee Camp he made a will leaving this land to his mother Mrs Agnes E. Blake of 7 Ullswater Road Southgate W 14 London England. Before going across to France we believe that he made a second will leaving this land to my daughter Lelia Mary Mitchell and he wrote his mother and also my daughter that he had left this land to my daughter but unfortunately this second will cannot be located. He was transferred in England to the 10th Battalion and was killed at Vimy Ridge ridge April 9th 1917.

I understand that had Mr. Blake had his homestead in Sask that the letter he wrote to my daughter and also to his mother would be considered binding when the second will if such was made could not be found but unfortunately no such ruling has been passed in regard to an estate if in Alberta as this land is and that consequently the first Will stands and the land goes to his mother.

This morning I received the attached letter from his mother (which letter I would be pleased to have returned to me) and you will see by it that she is anxious to have this land turned over to my daughter but neither she nor I know what steps we should take to have this done and if you would please write to Mrs. Blake or myself it would greatly

HAYWARD LUMBER CO.
LIMITED

LUMBER MILL WORK AND BUILDING MATERIAL

(greatly)

oblige us as we do not know what steps are necessary to have this land turned over to my daughter.

I sent Mrs Blake a copy of the will that her son made while at Carson and this is the will she refers to in her letter where she says " It appears that I am left it"

I was just wondering with this letter as evidence could the patent be issued direct to my daughter or what other steps would be necessary to have my daughter receive the property as Mrs Blake desires as well as Pte H.F Blake.

Yours truly,

Dear Sirs.- Re Estate Private Harold P. Blake 525074.

This party homesteaded NE-32-61-3-W 4th enlisted in the 151st at Vegreville went overseas and was killed at Vimy Ridge. While at Sarcee camp he made a will leaving his real and personal property to his mother in England. Before going overseas he became engaged to my daughter Leila Mary Mitchell and when he went overseas and before going to France he made a second will leaving his personal property to his mother and his real estate which was the above homestead to my daughter. This second will has not been located yet although the one witness to it Private Mike Greville is prepared to take an affadavit that he and Private Babcock were both witnesses to Private Blake's Will in which he left the homestead to my daughter. Private Babcock was unfortunately killed at the same time as Private Blake and with the same shell explosion.

Private Blake wrote to both my daughter and to his mother that he had left his homestead to my daughter and these letters have been handed to Soldiers Estate Branch Commissioners at Edmonton who have been endeavoring to locate the missing Will as it has been only the last few weeks that Private Greville has been here and we were not positive that this second Will was made until he arrived and told us that he was a witness to this Will. The Soldiers Commission at Edmonton however placed Private Blake's letter to my daughter, and the letter from his mother before His Honor Judge Morrison who decided that these letters were as good as the second Will and that the homestead should go to my daughter.

However to be positive that this was Private Blake's desire they have continued searching for this second Will and in a letter addressed to me on the 2nd inst he states that they had recently received a letter from the Director of Military Estates that he had received a letter from London in which they stated that there was no will in that office. I also had a letter from the Director of Military Estates some time ago in which he stated that Private Blake's personal property had been handed over to his mother who resides at 7 Ullswater Road Southgate London England and if this second Will has not been found how then would they know to whom to hand this personal property.

This matter has been hanging fire so long and we have such positive proof both from the letters and from Private Greville's statement statement and the Judge's decision that we cannot understand why the title to this property has not been handed over to my daughter long ago.

Yours truly,

Wm. J. Mitchell

Re: Account of H.C. Harper,
N.W. 7-30-1-W.4th.

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 fodder and relief amounting to $245.80 were advanced to H.C. Harper on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:-

Principal	Interest	Total
$ 245.80	$ 456.29	$ 702.09

The N.W. 7-30-1-W.4th was formerly the homestead of Henry Clay Harper on which security the 1915 advances of fodder and relief were obtained.

In reply to our questionnaire of the 25th of September, 1953, The Director of Assessments, Department of Municipal Affairs, Province of Alberta, wrote as follows:-

"Title to this land is presently vested in this Department having been acquired through Tax Recovery proceedings. This land is occupied under Grazing Lease as issued by this Department, and in view of its being situated in that part of the Province designated Special Areas there is little likelihood of any sale being made of same."

The information obtained indicates that the land is such that it is unlikely to be used for farming purposes or disposed of by sale in the near future and no longer offers any security of value for our liens. Under the circumstances it is recommended that the indebtedness be cancelled and the liens discharged.

There are 55 acres broken on the N.W. ¼.

Re. N½ 20-24-1, W4

You are again reminded of the need of making at least some reduction in the amount of your seed grain indebtedness to this Department. The account on the 31st of March last totalled $718.03 including principal and interest, to which is to be added interest at the rate of five per cent on the principal amount of $139.05. Will you please advise at an early date what arrangements you are prepared to make for the reduction of this debt.

Re: account of George W. Doig
N.W. 20-4-1-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to [illegible] constituted as a board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1915 and 1918 seed grain amounting to $139.05 was advanced to George W. Doig on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:

Principal	Interest	Total
$ 139.05	$ 245.76	$ 384.81

Patent was issued in the name of George W. Doig for the N.W. 20-24-1-4 on the 22nd of February 1916, subject to the liens. The N.E. 20-24-1-4 was formerly the pre-emption entry of the latter whose entry was cancelled on the 14th of June 1920 and the land is still unalienated Crown Land held in the right of the Province.

In 1930 the N.W. 20-24-1-4 became subject to forfeiture proceedings for non-payment of arrears of taxes and title has since been acquired by the Municipal District of Acadia No. 34.

The land is described as very stony and mostly fit only for pasture.

The Municipality has been unable to dispose of the land by sale and it is still vacant and no longer being operated. The N.E. 1/4 is under the jurisdiction of the Department of Lands and Forests, Province of Alberta, and is also vacant and no longer being operated. As such the land no longer offers any security of value for our liens.

Under the circumstances it is recommended that the [illegible] be cancelled and the liens discharged.

C. [illegible] Secretary.

While the names of settler-soldiers remain on the rolls of the Canadian Expeditionary Force, their entries will be protected for the duration of the war and for three months thereafter, notwithstanding that they may be returned from overseas to recuperate from wounds received or from illness contracted while at the front.

We do not know definitely whether Mr. Allard has received his discharge as being medically unfit. It would appear from your letter that he is at present unable to do settlement duties, although able to take up some occupation in the city. All that he expects to eventually regain his strength and health.

Perhaps before going further into the case it would be advisable for you to furnish me with a certificate of discharge, and also a medical certificate as to his present physical condition, and as to the possibility of his recovering his health and being able to resume the performance of his settlement duties. At the same time you might have [illegible] your enclosed blank forms filled out, if anything, we can advance him the money for settlement duties on his homestead. Then return the forms to me.

When all information has been received, the matter will be given further consideration. [illegible] again.

Yours faithfully,

I the undersigned, a medical Doctor, having carefully examined the persons of Mrs. A. Allard I am satisfied that this gentlemen may recuperate if the nature is allowed to take its course, and I have therefore recommended him complete rest and quiet for several months

(sgd) E. Belanger.

Translation from French. M.10

Dear Sirs,

I would like to obtain patent for my homestead which is in the Peace River district, but having been at the front where I went with the first contingent (14th Battalion) I was wounded at the battle of Ypres on the 24th May, 1916, and sent to hospital to undergo a treatment & was declared to be unfit for active service and was recommended to be discharged. I arrived in Canada on the 28th September, 1916, and received my discharge papers in which I was declared medically unfit for further service and my disability was said to be that of "first class". Subsequently I passed another examination, and I feel much better, and not yet sufficiently strong to work on the land. My family doctor ordered me complete rest and quiet for several months. I hope gentlemen that the above information would be sufficient. My disability is the result of a shock which I suffered when, according to the report of eye witness, I was thrown up 15 feet in the air; my shoulder has been injured & and I am unable to use it except one movement.

Dear Sir,

re C. I. Caswell deceased
West Half 25-25-4-West 4th

Your letter of 15th ulto. has been handed to me by Mr. Myron J. Haffie, the addressee, for reply.

Application for Letters of Administration to Mr. Haffie, as Attorney for Philip Byron Krans, of Saint Armand, Quebec, who was the foster father of deceased, will shortly be submitted to the proper Court. I may say that Mr. Krans, who has also renounced administration in favor of Mr. Haffie, adopted the deceased as his child at the age of ~ years. Deceased lived with him and was supported by him, acting in loco parentis, and Mr. Krans, although deceased did not take his name on adoption, undertook the office and duty of a father towards the deceased from the time of his adoption as aforesaid until deceased attained the age of 20 years.

When Mr. Haffie has obtained his authority from the Court it is his intention to complete the duties and earn Patent to the land. Whenever this authority has been got, I will at once send it to you for exhibition.

Yours faithfully,

17. Are there any special circumstances such as illness, [illegible] of the deceased which in your opinion should be brought to the attention of the Department?

Answer: Deceased left no will and left relatives. The only property of deceased is the homestead in question. Deceased's father has applied to be entitled to administration of his estate in the said matter. Deceased was deceased's foster father and has brought deceased up from early childhood. The Alberta Trust Co. acting on behalf of the deceased's father, has applied to the District Court Judge at Calgary for letters of administration and by virtue of Alberta Will Grant Rules Act has issued a grant to the public Administrator for that purpose. It seems however that the validity of this Act has been questioned by the Dominion of Canada and that the question has been decided in the Supreme Court in favour of the Dominion. No date has been fixed for the hearing of the appeal but will likely be earlier than the Privy Council. Under these circumstances I consider that the Department should allow the question of succession to the land to stand over pending the decision of the Privy Council in the matter between the Dominion of Canada and the Province of Alberta.

The Secretary.

Department of the Interior,

Ottawa.

Sir,

Your file 714493 and 293814

I beg to acknowledge receipt of your letter of August 2nd. in connection with the Clarence I. Dowell Estate.

I note that the homestead regulations provide that in the event of the death of an entrant the "legal representatives" may earn title to the land on behalf of the estate by performing the cultivation required by the original terms of the entry and by erecting a habitable house on the land or maintaining the house thereon in a habitable condition as the case may be. I also note that the Department would be willing to allow the heirs a reasonable time to furnish letters of Administration.

With regard to the cancellation proceedings, I attended at the Dominion Land Office here and found that same had been withdrawn. The cancellation proceedings had been instituted by the party on whose behalf Mr. Sutherland

Sutherland of Empress is acting.

The difficulty however, in dealing with this Estate lies in the fact that there are no "legal representatives" of the deceased in the strict sense of the word. The deceased had no living relatives when he died but he had a foster father in Quebec who had raised him from early childhood and who would have a moral claim upon his estate. Under our local Statute the Attorney General's Department of the Province has the right to forego the Crown's right as ultimus haeres in favour of any party who has a moral claim to succeed to the estate of a deceased person. The unfortunate thing is, that this Statute has been impugned by the Dominion Government on the ground that the Act is ultra vires of the Province in as much as the Province seeks to take over land which really belongs to the Dominion. In this contention the Exchequer Court has upheld the Dominion Government and I understand the matter is now before a Superior Court. I am not sure whether the action has gone to the Privy Council or to the Supreme Court of Canada but I understand it has gone to one of them.

In these circumstances I wish to know whether the Department of the Interior is willing to allow the question of succession to this half section stand over pending the decision of the Court of the above question between the Dominion and the Province, also, whether in the event of the/

the Dominion being successful, it will adopt the policy of the Province in recognizing the moral claim of persons, who, while not actually related to the deceased, have a moral claim to succeed to his property.

I shall be glad if you will consider this matter further and advise me at your early convenience.

Sir,

Recently the applicant for the issue of letters-patent for land entered in the name of one Mitrofan Kowell, who is now deceased, was advised that letters of administration to the estate of the deceased would have to be procured to this Department.

Mr. W. J. Scanlon of Calgary, Alberta, solicitor for the applicant, has advised this Department that the deceased left no legal representatives in the ordinary meaning of those words; that the husband of the alleged entryman died intestate, but left a foster father in the person of whom was vested his homestead [illegible] and all personal estate of the deceased.

Mr. Scanlon refers in his letter to [illegible] and cites the following cases:-

[illegible] the Crown's right as ultima heres in favour of [illegible] de cujus person. The effect is, that the [illegible] the Province as against the Dominion Government [illegible] the Province has no claim over land [illegible] to the Dominion. Sir:-

I beg to refer you to your letter of the 10th of September last - file 3144336-2938148 - addressed to E. V. Robertson, Barrister, with regard to the entries of the late J.I.Cagwell for the N. ½ 25-25-4 W. 4th Mer., and to request you to kindly advise me with regard to the cancellation proceedings outstanding against these entries.

Your obedient servant,

Agent.

The Secretary,
Department of the Interior,
Ottawa.

In September, 1910, the Commissioner asked if you could advise what the case was before the Courts, and you suggested consulting the Law Clerk.

Mr. Rothwell took up the case and wrote fully in the matter to the Deputy Minister of Justice requesting information as to what position the proceedings referred to by Mr. Robertson, as now pending in the Courts, were in at present.

Mr. Robertson was advised that no further action would be taken towards the cancellation of these entries prior to the [illegible] instant.

A letter from the Deputy Minister of Justice, dated the 16th October last states that the legal question in regard to whether the Provincial or Dominion Government is entitled to [illegible] lands is now pending in the Supreme Court of Canada; that he was informed that the case had been argued and judgment reserved, and that a decision was expected shortly.

A letter was received from the Agent, under the 4th instant, requesting to be advised with regard to the cancellation of [illegible] pending the decision of these entries.

I would suggest that the matter be referred to Mr. Rothwell to ascertain if Judgment has as yet been handed down.

This entry dated about the 7th June, 1913 was not having performed any residence, improvements or cultivation.

This entry is reported to have been cancelled, although not legally, by Mr. Philip F. Brand, who was an uncle of Myron J. Chapple the claimant to have this entry administered for his own benefit.

Mr. Brand is experiencing some difficulty in obtaining Letters of Administration. There is a law in force in Alberta, by which the land may be taken over by the Province. This point has been contested by the Dominion Government, and the matter is now in the Courts for decision.

Mr. E.V. Robertson, Barrister, of Calgary, has requested the Department to defer action in this matter pending the outcome of the suit between the Dominion and the Provincial Governments.

The matter was submitted on the 11th September last, and the Deputy Minister's instructions were to let it stand until the case now before the Courts was settled.

Applications for entry must be made on the prescribed forms in accordance with the following regulations:

Any person who is desirous of making entry must appear in person and present his application, and satisfy himself that there is no error in the description of the land applied for. The applicant will require to swear to the application for entry, that the land is fit for cultivation, and that he is not acquiring it on speculation, but in good faith for his own use and benefit. The applicant should be prepared to pay the fee for entry and the cost of survey. He should examine and estimate the value of the improvements on the land.

The application for entry may be made either at the Dominion Lands Office or at the office of any Sub-Agent in whose district the land is situated. An application for entry by proxy can be made only at the Dominion Lands Office in whose district the land is situated. Application for entry by proxy cannot be made by an agent. In case of a person making application for entry on behalf of his father, mother, brother, sister, son or daughter, the person who is authorized to do so must produce his authority to the Agent.

No fee is charged for entry. Fee for entry to be collected with application will be $10.00. According to evidence submitted, there are improvements on the land entered for to the value of $.

PAYMENT FOR IMPROVEMENTS

Before a patent is granted for entry for a homestead or a Soldier Grant, he shall declare that any improvements upon the land for which he applies are the property of the Agent or Sub-Agent to whom the declaration for entry is made. Such declaration for entry cannot be taken before the date of entry.

In the event of interest in the improvements attaching to the entry, the Agent will determine the applicant's valuation, or if the improvements be placed at over $300.00, the Agent may appoint a valuator to value the improvements to be exacted on a Homestead Entry. If any dispute arises as to the value of improvements, the matter will be referred to the Minister whose decision will be final. If the amount has been paid the overpaid amount will be refunded. If the applicant fails to pay the fee or the amount when demanded, his entry may be cancelled.

PAYMENT OF IMPROVEMENTS CHARGED AGAINST THE LAND

The Dominion Lands Act provides that a charge against the land may be made for improvements placed upon it by the former entrant. If the amount required for entry is to include the amount of such charge, the applicant must make up the amount required for entry, and pay the same to the Agent or Sub-Agent for payment to the former entrant. If the amount required for entry is to include the amount of such charge, the applicant must make up the amount required for entry, and pay the same to the Agent or Sub-Agent for payment to the former entrant.

Sir:

With reference to your casting vote of the 4th ultimo regarding the South-East ¼ of Section 1, Township 14, Range 1, West of the 4th Meridian, available for entry by the soldier settlement board, I am directed to inform you that the land is to be considered in future as other settlement land owing to the fact that the paragraph relating to the general public, etc., being permitted to make entry, has been struck out. It is the intention kindly advise the Department further in order that the necessary record might be made on the departmental file.

I might also call your attention to the fact that form 82 cannot be amended for the purpose of the soldier settlement land, as in the case of ordinary Dominion lands the 3rd paragraph on form 82 provides for the land being applied for by returned soldiers only who have served overseas and who produce evidence of honourable discharge, or in the case of death, evidence

Sir:-

S.W.¼ 5-14-2 W. 4th Mer.
Your Ref.-3145414.

I beg to acknowledge receipt of your letter of the 9th instant, referring to the above quarter section and other lands that were posted for entry on the morning of the 2nd instant. All the lands contained in the postings, of which you have been notified, are Soldier Settlement lands only, which was the reason that paragraph 3 of Form 82 E. was struck out, as the general public could not enter for these lands under any circumstances.

I regret that a mistake was made in locating the form upon which the lands were posted. When the packages of forms arrived they were put away. The one that was opened contained Form 82 E., and we really did not know that the other packages contained form 382 E. No form was done as these lands could only be entered for by returned soldiers, and as a matter of fact no one else applied for entry. We have also posted about thirty-five (35) quarter sections of land in Township 15, Range 3, West of the 4th Meridian, to be open on the 23rd and 24th instant, and I am sending a copy of the enclosed form to each Postmaster and Sub-Agent.

I trust the above explanation will be satisfactory, and shall take care that such a mistake does not again occur.

Ref. No. 314731.

THE INTERIOR

October, 1915.

APPLICATION TO PURCHASE

Frnc.L.S.7 of 4-59-11-W. 4th Mer., containing 6.4 acres, ordered grazing

Mr. [illegible] Macdonald applied to purchase the parcel in question, in connection with his homestead, the N.E.¼ of section 4, for which he obtained entry in April, 1914.

According to File No. [illegible] attached, Mr. Macdonald is deceased, and Mrs. Emma Macdonald intends taking out letters of administration of his estate and completing the required duties on his homestead.

The Agent has forwarded here the following report from the Inspector in charge of the application:-

'In reference (Mrs. E. L. Macdonald). This quarter is fenced, mostly cedar rails. There are some willows and poplar. In view of the poor state of the land I consider that the price of land is not worth more than $4.00 per acre. I would recommend the sale of it to Mrs. E. L. Macdonald. The water record [illegible] to buy water for [illegible].'

It will appear from representations made by the late applicant that the lake at this point was ordered sufficiently to permit of access from the N.E.¼ of section 4 to the portion of the land under entry in question, access in this case being cut off from the rest of the parcel.

If a sale is authorized to Mrs. Macdonald in accordance with the Inspector's recommendation it would, of course, be made subject to her earning patent for the homestead.

Controller.

Sir,

Referring to your letter of the 4th April last as to the setting apart by Order in Council of the above reserves, I beg to say that as the survey is not completed any direct action in the Dominion Lands System, that may be taken towards setting apart these reserves cannot be taken until it has been reported to by one of our surveyors.

The Indian Reserves [illegible] are within the limits of one of our survey contracts for this year and it is advisable that no steps should be taken towards setting these reserves apart until our surveyor's final returns of survey have been received.

The lands in reserve [illegible] are also retained not connected with any Dominion Land survey and it is not advisable that any action should be taken towards setting this reserve apart until it is reported to the Dominion Land Survey Office.

In the meantime a note of the application has been made in the records of this department.

Sir,-

In further reference to your letter of 21st February, file 445628-1A, transmitting plans of lease at Wabikie lake, it is noted that on the plan of reserve 16[illegible] you have adopted the East side line (N. ov. to S.-70-E.) as the west boundary of the reserve instead of the line as surveyed by I. J. Steele, D. L. S., which cut into township 81 owing to the difference in the true line as shown on the fifth meridian.

The amended boundary is satisfactory to this department and the terms of lease effected will be approved on receipt.

Mr. Hume.

General Check of Records
S. W. of 2, S. ½ of 3,
Twp. 81 - Rge. 26 W. 4th M.

Question - Disposition of land.

In the list sent the Agent of the General Check of Records, parts of the above parcels were shown as under application of the Department of Indian Affairs, reference hereunder. This standing was O. K'd. by the Agent in his check. According to information received from the Department of Indian Affairs and Land Patents Branch memorandum of the 30th of April last, on file hereunder, these lands are clear in this respect.

The different Branches of the Department also report these lands as clear, and Land Patents Branch under memorandum of the 6th ultimo reported that these lands were advertised on the 30th of March, 1915.

The registration Branch has reported no files for these parcels, but three extra copies to be made the usual files for these quarter sections are hereunder.

The S. W. ¼ of 3 is a full quarter section of 160 acres, the S. E. ¼ of 3 contains 153.6 acres and the S. W. ¼ of 2 is fractional containing 40.6 acres.

I would, therefore, suggest that the Agent be instructed to make these lands available for settlement if aware of no other reason to the contrary.

I start out this morning referring to your memorandum of the 13th instant, and I think I will be able, if possible, to-day, to get the information from the above-mentioned reserves to the Department of Indian Affairs, but will you please say if there is any objection to connecting these reserves with the Dominion Lands System of Survey so that the proper descriptions of the surrendered lands may be made for insertion in the Order in Council without waiting for the survey of the townships affected.

It would appear that there is possibly sufficient information at the present time to describe Reserve 166A.

OTTAWA,

Sir,-

S.E. ¼ Sec. 26 Tp. 55 Rge. 10 West 4 Mer.

Referring to your application for the privilege of taking a second homestead, I am to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed permitting those settlers who had obtained patent, or who had become entitled thereto on or before the 31st January, 1908, the right to make a second homestead entry on the usual homesteading terms.

Should you, as you are the person who obtained patent for the former quarter section described, and provided this is the only land for which you have obtained homestead patent, and are entitled to another homestead, and the prescribed Agent of Dominion Lands will be the authority for granting you the entry, for the vacant and available quarter section of Dominion lands on the usual terms, provided he is aware of no reason to the contrary.

I am further to inform you that the holder of an unpatented entry or of patented homestead lands will not be permitted to abandon the same in his own favour or in favour of any other person for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or supplies, the land taken under the authority of this letter will be subject to such indebtedness.

File No. 4-2620

Memorandum:

OTTAWA - JAN 1930

Request for Title under Order in Council of the 4th June, 1921, where duties completed by soldier settler.

Re: Oliver Martin,
N.W.¼ 32-77-21 W. 5th (Hsd.)
S.W.¼ 32-77-21 W. 5th (S.I.)

The above described land is the unpatented homestead and soldier grant of this settler.

Subsequent to the initial loan approved in his favour on the 20th October, 1919, the settler secured advances from the Board totalling $2612.00, as follows: stock and equipment, $1312.00; permanent improvements, $660.00; special advances, $117.00. As security the Board holds a charge on the settler's homestead and soldier grant. The Board holds not other land security in this case.

The duties in connection with this homestead and soldier grant, and [illegible] the settler's completed would be entitled to receive patent for the Board's charge. This is confirmed by the letter to the Board from the Commissioner of Dominion Lands, dated the 7th December, 1929 and letter to the settler from the Secretary of the Department of the Interior, dated the 22nd January, 1930.

The requisitions approved by the Governor in Council on the 4th June, 1921, P.C. 1011, [illegible] the settler's rights, title and interest in the unpatented homestead of [illegible] by the settler and on the request of the Board, to vest the settler's interest, title and claim in the land until [illegible] also enabling the settler to negotiate a sale of the land with a view to repaying the loan he has obtained from the Board.

The settler has requested that title to the land be issued to the Board. There is nothing on file to show that the conditions [illegible] templates discontinuing his farming enterprise. However, the settler desires to have title issued as aforesaid in order that it may be held by the Board as security for the advances granted, and in order to be in a position to negotiate a sale should he decide to do so at a future date.

Under the provisions of the requisitions referred to, the Board hereby requests that the right, title and interest of His Majesty in the N.W.¼ and the S.W.¼ 32-77-21 W. 5th be vested in the Soldier Settlement Board.

The Board has an effective charge on the land under the recent amendment to Section 26 of the Soldier Settlement Act, as all the advances referred to in the second paragraph hereof were made to the settler subsequent to the date of entry for his homestead and soldier grant.

A Vesting Order for signature is attached hereto.

W. W. Cory, Esq., C.M.G.,
Deputy Minister of the Interior,
OTTAWA.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1918, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands at the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

APP. FOR PATENT

4669612

SE[illegible]ATE STATUTORY DECLARATION OF [illegible]

Re application for Homestead Patent for the N.E. Quarter Section 24 Township 27 Range 22 of the 4th Meridian.

I- The causes of error in my previous declaration are these:

a) Having forgot somebody else to write it for me as I am not well versed in English orthography, I gave my statement to him and he wrote it down; through a possible forgetfulness, he left aside my statement relating to the years 1917 and 1918. But relying on him I did not read it and signed it as it was, and it was only when the Department notified me that I realised the mistake.

b) As to the date given by me I might have been misled by my memory, but not as much as to forget the number of months in each year, as residing on my homestead and employed on the farm in the west.

II- I did work on the farm in the west in 1916 at Mr [illegible] Somerset, Manitoba from June to the end of December and in 1919 at Mr [illegible] C.W. Gold, Fort Saskatchewan from the beginning of May to the beginning of November.

III- As for the breaking [illegible] thought the agent knew [illegible] and I have to state that I stand ready to swear [illegible] I went there [illegible] in a fit condition [illegible] facts.

In 1916 broke 15 acres- clearing (Bluffs) 7 acres

1917	"	5	"	"	"	5	"
1921	"	5	"	"	"	5	"
Total	"	25	"	"	"	17	

I consider that the clearing those 17 acres cost me in time and money much more than if I had only to break it; and [illegible] that I broke with [illegible] I cleared, it brings me to more [illegible] than if I had, to break the thirty required acres.

IV The agent of [illegible] Dominion Lands can call on the three following gentlemen as witnesses,

Leon Roy, Falher, Alta

[illegible]ville Lafrenière, Falher Alta

Albert [illegible]er, Donnelville, Alta

To explain the [illegible] mine, I must submit [illegible] on the [illegible] my homestead, [illegible] the exact date, was airight.

I Rod Dumais, do solemnly swear that the facts contained in the present declaration are true and exact to my knowledge, so help

SUBJECT Re- Stuart Colcleugh, Conductor, C.N.Ry.

S.C.R. 123 1,000,000-11-19.

NOTE: Each letter must bear subject matter, which should be identical with Subject portion of F. & No. shown on letter to which your reply refers, must be quoted.

This certifies that the above mentioned person has consulted me on several occasions during the past year regarding his physical condition. He suffered from ptomaine poisoning overseas and at times has impaired cardiac function which necessitates his quitting work and resting.

Upon the last occasion which I saw him he was suffering from an acute tonsillar infection accompanied by the usual febrile disturbance.

In my opinion [illegible] fit condition to do any sustained heavy labor and will require possibly a year's further time before he can safely undertake any strenuous work.

Vancouver, B.C. May 9th, 1923.

Re Malcolm S. Colclough.

This certifies that I have had under my personal observation the marginally noted man during the past 4 years and in my opinion his physical condition (organic heart disease) does not permit his carrying on continuously throughout the year on homestead duties. The length of any one period of continuous work will be dependent entirely upon the state of his physical condition and this can only be determined from time to time by examination.
